

VOLUNTEER BUREAU OF MONTREAL

PARTNERSHIP PROPOSAL

1937-2012

Alison Stevens,
Executive Director of the
Volunteer Bureau of Montreal

MESSAGE FROM THE EXECUTIVE DIRECTOR

Try to imagine this city without volunteers! They are the backbone of so many services and activities that we all take for granted. They are also the passion and energy behind numerous initiatives that make Montreal an interesting and vibrant place to live.

In 2012 the Volunteer Bureau of Montreal will celebrate 75 years of promoting and supporting volunteerism. While we are proud of the role we have played for all those years, the focus of our celebration is volunteers and what they do. We want to highlight the tremendous impact they have had, and continue to have, on individuals, groups, neighborhoods and on the city in general. There are many ways in which you can join the celebration and help us to communicate this important message.

Who we are: Founded in 1937 by the Junior League of Montreal, the VBM is the oldest volunteer centre in the country. While its primary mandate is the promotion and support of volunteerism, it also offers a variety of services to approximately 1,000 community organizations and public institutions in the city.

What we do: Recruitment and referral of volunteers for hundreds of Montreal organizations, training and consultation on volunteer management, promotional activities (volunteer recruitment fairs, presentations about volunteering). We publish specific volunteer opportunities as well as more general advertising about volunteering both on our website (1,300 visits a day) and in various other traditional and electronic media. In addition, we support a network of approximately 80 groups providing Meals on Wheels and community lunches.

Who we support: Non-profit organizations working in a broad spectrum of fields, serving a variety of clients and causes in Montreal.

MONTREAL TIMERAISER

Sponsorship value: \$10, 000

When: April 19, 2012 during National Volunteer Week at Marché Bonsecours in Old Montreal.

What it is: An art auction with a difference... Bidding volunteer hours instead of dollars!

Created in 2002 in response to a group of professionals wondering how finding relevant volunteer opportunities could be made easier, Timeraiser aims to improve the experience of bringing people to causes and causes to people, while supporting the local art community – a vital component of every urban centre. The event itself is a part volunteer fair, part silent art auction and part night on the town. Throughout the evening participants meet with different non-profits in the room and match their skills to the organizations' needs. Once they have made their matches, they are eligible to bid on artwork. The big twist is rather than bid money, they bid volunteer hours on works of art they are interested in. If they have the winning bid they have 12 months to complete their volunteer pledge before bringing the artwork home as a reminder of their goodwill. Once the auction is over, the hours raised are announced and the celebration of contributions to the art and non-profit communities begins.

Currently operating in cities across Canada (Toronto, Hamilton, London, Winnipeg, Calgary, Vancouver, Edmonton and Ottawa), Timeraiser's arrival in Montreal happily coincides with the VBM's 75th anniversary. Your commitment and support to both the artistic and community sectors of this great city can be expressed in partnering with us in presenting this exciting event.

There are many sponsorship options. You may sponsor an original work of art created by a local artist specifically for the Montreal Timeraiser or you may sponsor one or more of the other elements contributing to the evening (musicians, A/V support, catering, printing, MC, etc). You may also support the event by encouraging your employees to register for it as potential volunteers.

Sponsor visibility : Your name and/or logo will be placed on all print and electronic material promoting the event and on each artist bid sheet, as well as in the press release and Montreal Timeraiser summary distributed to the media before and after the event.

Your name and/or logo will be displayed at the Kick-off event in March where the completed works of art will be presented. You will also be invited to the event.

Your name and/or logo will be displayed at the Montreal Timeraiser on a rolling slideshow. In addition, there is the option of a vertical banner displaying your name and/or logo at the event.

Artwork in your workplace : You may select a certain number of works of art from the Montreal Timeraiser to be housed in your offices during the 12 months while the winner completes his/her bid. The artwork will be accompanied by a plaque describing your company's contribution to the arts, to community organizations and to citizen engagement.

You will be provided with VIP passes to attend the Montreal Timeraiser.

As with all other types of sponsorship for our 75th anniversary, your company name and/or logo will be included in VBM publications throughout 2012 (newsletter, press releases, annual report) and on the VBM website.
