Member for a Board of Directors - 37290 Skills based volunteering

CFAD's Board of Directors currently comprises 5 women out of a potential 7 positions. Some are retired, while others are professionals with backgrounds in law and social services. Our Board is characterized by stability, respect and openness.

CFAD has just updated several human resources policies and is in the process of finalizing a strategic plan covering the years 2024-2027. We have just recruited new staff (General Manager, Executive Assistant and Day Center Coordinator) and are embarking on an important stage in the organization's development.

For the time being, we need to recruit new administrators with financial and communication skills who can support us in our drive to reach out into the community and consolidate our financial foundations.

We're looking for volunteers with an interest in issues of social reintegration, marginality and inclusion. Experience as a board member is not a prerequisite.
